EC Declaration of incorporation for a quasi-machine (Machinery Directive 2006/42/EC, Annex II.B)

Manufacturer: Seat Ventilation, Parc Technologique Delta Sud, 09340 Verniolle, France

Product code	Description	Standards	Directives
RANGE: SEAT Series STORM Series JET Series	Anti corrosion exhaust fans		Machinery Directive 2006/42/EEC EMC Directive 2004/108/EEC Low voltage Directive 2006/95/EEC

The manufacturer declares that all the products described below have been tested and the results comply with following directives:

- Machinery Directive 2006/42/EEC
- EMC Directive 2004/108/EEC regarding the electromagnetic compatibility
- Low voltage Directive 2006/95/EEC regarding the safety for electrical equipment designed for use within certain voltage limits

The voluntary satisfaction of these essential requirements for a quasi-machine does not imply that the requirements for the machine will be satisfied.

Subject to installation, maintenance and use in conformity with their destinations, with the code of practice, the standards of applicable installation and instructions, the products are in conformity with the provisions of the quoted directives and can be incorporated by professionals in equipment subjected to other directives.
